H. R. 4383(Monagan)Feb. 17, 1971

- Includes all of Proposed Executive Order.
- OMB, with CSC, to establish rates to pay for staffs and consultants, unless otherwise provided by statute, not to exceed GS-18.
- Director, OMB to furnish Library of Congress 8 copies of every report made by an advisory committee, and as appropriate, background papers by consultants, subject to Freedom of Information Act.
- President to furnish Congress annual reports to include: names of committees and members; functions; reference to reports; costs.
- \*All committees to keep records to show disposition of funds and activities. Comptroller General shall have access to, for audit, all books, papers and records of each advisory committee. Requires timely public notice of meetings, except where notice would endanger national defense and foreign policy.
- · Congressional committees of jurisdiction are to review all committees and secure necessary legislation to merge, abolish or revise.
- all advisory committees and make recommendations to the President.
